By the terms of the lease this company guarantees as rental for the use of the leased property the payment of the annual interest on the bonds and securities of the Southeastern Company, amounting to approximately $900,000, together with the annual taxes, approximately $235,000. This company further agrees to purchase any or all of the 40,000 shares of the outstanding stock of the Southeastern Ry. at $10 per share, and agrees to assume the outstanding securities, amounting to about $19,000,000, the bulk of which mature in 1951 and 1960. (See terms of lease under Chic. T. H. & S. E. Ry. in V. 111, p. 2519.)

The mortgage is secured by a direct lien on all the properties, including about 10,180 miles directly owned, 109 m. jointly owned, terminal properties in Chicago, Milwaukee, Seattle, Tacoma, Spokane & other cities, and the entire equipment, subject to $179,673,000 prior liens ($18,331 p. m.), to retire which an equal amount of bonds is reserved, $132,007,200 being also reserved to retire debentures and convertible bonds, which are equally secured thereunder. None of the prior liens may be extended and no further amounts issued except gen. M. for refunding purposes, so that eventually the Gen. and Ref. bonds will become an absolute first lien. ORGANIZATION.—The company at midnight on June 24 1917 resumed possession of its property, having been successfully reorganized, without foreclosure. The sale of $29,422,160 7% pref. stock to a syndicate and $5,000,000 6% pref. to former directors provided for old floating obligations and reorganization expenses, while the $20,000,000 debentures of 1912 were replaced by $20,000,000 6% pref. stock. V. 104, p. 2641, 2552, 2451, 2342; V. 106, p. 2025. Plan of reorganization was in V. 103, p. 1887, 1980, 2155; V. 104, p. 451.

In Jan. 1919 the company concluded a settlement of its litigation with the Colorado & Southern Ry. Co. respecting the Trinity & Brazos Valley Ry., extending from Fort Worth and Dallas to Houston and Galveston, whereby the Colorado & Southern accepted in cash 60% of the amount due on the contract, which, under the final decree in the Rock Island receivership, would be payable in full in 6% preferred stock at par, such as was paid to all other general creditors of the Rock Island. This involved the payment of some $4,000,000 and the Rock Island now owns outright a half interest in the Trinity & Brazos Valley Ry. and will have a permanent outlet to the Gulf ports. See "Notes" below. V. 108, p. 378; V. 109, p. 672.

REFUNDING AND IMPROVEMENT MORTGAGE.—A direct lien on 1,827 miles of railroad owned and on the company's interest in 568 miles of railroad operated under lease, contract or trackage rights; total, 2,396. V. 109, p. 270, 370.

The company may issue bonds beyond $25,000,000 (incl. $20,000,000 auth. Series "A" bonds), but not for over 80% of the cost of work done, or, of property acquired and with the consent of a majority of the pref. stock, and only when the annual income applicable to interest charges out of 18 months next preceding such issue, shall not be less than 1½ times interest charges, incl. interest on bonds to be issued. These limitations do not apply to bonds issued for refunding prior liens, the European Loan of 1910 and the Debentures of 1911. Bonds may be issued in series, subject to certain conditions as determined by the board of directors. Series "B" bonds amounting to $7,249,000 have been issued and are held by the company. Has also issued $1,052,600 Series "C" bonds.

The 20-Year European Loan 4s of 1910 and the 20-Year Gold Debenture 4½s of 1911 are secured by the new mortgage on a parity with all bonds to be issued thereunder.

The financial plan outlined in 1919 resulted in the sale (V. 109, p. 270) of $15,000,000 of the new bonds, to provide for paying or reducing short-term obligations, as follows: Secretary of the Treasury, $3,000,000; Director-General of RRs., $2,000,000; bank and trust companies, $3,027,650; New York Central RR. Co., $9,000,000. The company also owes the N. Y. Central RR. Co. two notes (one for $4,560,000 and one for $113,000) maturing Dec. 23 1930, and also 15 serial notes amounting to $3,681,067, maturing to Dec. 23 1935.

HISTORY, &c.—Chartered in 1832, present title assumed in 1853.

In June 1909 the D. L. & W. Coal Co. was incorporated with $6,800,000 authorized stock, to act as selling agent for the company's coal in Pennsylvania, the railroad stockholders being permitted to subscribe for its stock See extra dividend below, also that company's caption under Miscel. Cos.

United States Supreme Court on June 21 1915 in the suit brought by the Government held that the company, under the contract of Aug. 2 1909 violated the commodities clause of the Hepburn Act and the Sherman anti-trust law (V. 100, p. 2114; V. 101, p. 17), in its relations with the D. L. & W. Coal Co. A new contract was arranged. V. 101, p. 47. In May 1917 suit over Morris & Essex lease was settled, the guaranteed dividend on M. & E. stock being increased from 7% to 7¼% p. a. V. 104, p. 2116 V. 100, p. 1509, 1832; V. 102, p. 1896; over Syr. Bing. & N. Y. lease, V. 103, p. 1980. Anthracite rate case, V. 101, p. 2072; V. 102, p. 1357. Government regulation of coal prices in 1917, V. 105, p. 767, 2412, 2293, 1961.

The company on Sept. 17 1920 submitted to the I.-S. C. Commission a plan for the segregation of its coal properties and the operation of its mines owned, as distinct enterprises from its railroad properties. The Comission, in April 1921 authorized the company to issue $45,000,000 common stock to be distributed as a stock dividend. The stockholders on July 21 1921 authorized an increase of $45,000,000 in the capital stock and also approved the sale of the road's anthracite coal properties to the Glen Alden Coal Co. for $60,000,000. Compare V. 112, p. 2190.

HISTORY.—Incorp. in Dela. Nov. 15 1920 as successor to the Denver & Rio Grande RR. A company with the same titie (to be the operating company) was incorporated in Colorado on Nov. 30 1920.

Title to the properties of the Denver & Rio Grande RR. was formally transferred to this company at midnight July 31 1921. Pres. Young on July 30 1921 stated that the Western Pacific RR. Corp. controlled the stock of both the Western Pacific and the D. & R. G. W., but that the two properties would have independent operating forces and would be operated separately except as to the ordinary traffic relations that usually exist between friendly lines controlled by the same interests.

*Receiver Appointed—Reorganization Plan Withdrawn.*—Joseph H. Young, President of the company, was appointed receiver in July 1922 (V. 115, p. 542).

The reorganization plan proposed early in 1922 (V. 114, p. 519) by the Western Pacific interests, which was opposed by the committee for Adjustment Mtge. bondholders (Richard Sutro, Chairman), and by a committee for the 1st & Ref. Mtge. bondholders (James H. Perkins), Chairman, has been withdrawn (V. 115, p. 644, 1729).

Judge Learned Hand in the U. S. Dist. Court in N. Y. City on May 18 1917 decided in favor of the Equitable Trust Co., as mtge. trustee of the old Western Pacific *Railway*, the suit brought against the Denver & Rio Grande RR. Co. to enforce the payment of the guaranteed bonds. V. 105 p. 1309, 1522; V. 104, p. 2641, 2117. The Circuit Court of Appeals at N. Y. on Jan. 4 1918 affirmed the decision, ranking the judgment as a lien on the property inferior to the lien of the mortgage bonds. V. 107, p. 1186; V. 106, p. 85, 188, 1126, 1688.

In Sept. 1918 after some $7,771,395 had been realized on the judgment, the Western Pacific RR. Corp., holder of the beneficial interest in 95% of the $50,000,000 1st M. bonds of the former Western Pacific Ry. Co., was proposing to set aside $3,500,000 of the money so received for the rehabilitation of the D. & R. G., and thus far the protection of the remainder of the judgment. V. 107, p. 1102.

On Jan 26 1918, in view of the foregoing judgment, the property was placed in the hands of its President, Edward L. Brown, and Alexander R. Baldwin, of San Fran., V.-Pres. & Gen. Attorney of the Western Pacific RR., as receivers by the U. S. District Court at Denver, on application by a creditor, the company consenting, although earning a surplus over fixed charges, and there was no other floating debt. V. 106, p. 498; V. 107, p. 1186.

On Feb. 28 1918 the U. S. Gov't, having, as a war measure, taken over the managment of the property, Mr. Brown retired as receiver and Mr. Baldwin remained as sole receiver of the free assets with no part in the operation of the road. V. 106, p. 929.

In June 1918, $10,418,700 securities held by the company in N. Y. banks were attached; $10,000,000 stock of Utah Fuel Co. was sold under this judgment on June 20 and bid in by William Salomon & Co. on behalf of Western Pacific RR. Corp. for $4,000 000. V. 106 p. 2648, 2559.

The Equitable Trust Co. on May 4 1920 obtained an order from Supreme Court Justice Lydon, directing David B. Knott, Sheriff of N. Y. County, to issue a further execution upon a judgment awarded against the road and to levy upon certain property of the defendant held in this State. The sale, which took place on May 26 1920, realized about $1,200,000. Compare V. 110, p. 1972, 2291.

For payments made under foregoing judgment see Western Pacific RR. Corp.

*Sale of Road.*—The road was sold at public auction on Nov. 20 1920 for $5,000,000, the minimum amount allowed by the Court, to John F. Bowie of New York, representative of the Western Pacific RR. Confirmation of the sale was held up owing to objections filed by the pref. and com. stockholders' committee. A petition by the latter to intervene was denied on Feb. 28 1921 by the U. S. Circuit Court of Appeals at St. Louis. The sale was finally confirmed on March 28 1921 by Federal Judge Robert E. Lewis at Denver, after the Court had ruled that a resale would be ordered if the stockholders' committee would deposit $100,000 on March 25 1921 and agree to bid $10,000,000 for the property at the resale. Judge Lewis refused to permit the committee to file a bond of $100,000 in lieu of cash.

Judge Lewis in the Federal District Court at Denver on April 2 1921 dismissed the ancillary action brought by stockholders to set aside the sale of the property to the Western Pacific. On Sept. 9 1921 permission was granted by the U. S. Circuit Court of Appeals at St. Louis to appeal from the decision. NATIONALIZATION.—The Governor-General of Canada on Nov. 10 1919 signed a bill looking to the acquisition by the Government of the entire capital stock of the company, except the £12,500,000 4% Guaranteed stock. A board of three arbitrators (Sir Walter Cassils, Sir Thomas White and William Howard Taft) were appointed to determine what should be paid for the stock.

The arbitration proceedings came to an end on July 8 1921, and on Sept. 7 1921 the Board's decision was made public, the arbitrators issuing a majority opinion that the pref. and common stock is worthless. V. 113, p. 1155, 1471. 1674, 2185, 2720; V. 115, p. 543, 2267.

The Governor-General of Canada on May 11 1920 signed the amended bill for the purchase by the Dominion Government of the stock control of this company. The committee of management as announced May 21 includes: Chairman, Howard G. Kelley, Pres. Gr. Trunk Ry.; (*a*) representing Canadian Govt.: C. A. Hayes, at present V.-Pres. of Canadian National Rys., in charge of traffic, and S. J. Hungerford, Asst. to the V.-Pres. of the Canadian Nat. Rys.; (*b*) representing the Grand Trunk Ry. Co.: W. D. Robb, V.-Pres. of the Grand Trunk, in charge of transportation, &c.: Frank Scott, V.-Pres. & Treas. of Grand Trunk Ry.

The shareholders ratified the plan Feb. 19 1920. New guaranteed stock to the amount of their aggregated appraised value will be issued in exchange for these old stocks in proportions to be determined by the arbitrators, and dividends on such new stock at 4% per annum will be guaranteed by the Canadian Government; provided, however, that the Government shall not be obligated to pay in any year in excess of $5,000,000 as dividends on: (*a*) the present £12,500,000 4% guaranteed stock, and (*b*) the new 4% stock that will replace the present First, Second and Third Pref. shares. V. 109, p 1891. As to liabilities to be met by Canadian Govt., see V. 109, p. 1986.

The Government will also guarantee the dividends on the present 4% Guaranteed stock and the interest on the company's debenture stock issues, all these securities at the same time parting with their voting power. The present 4% guaranteed and also the new guaranteed stock will be made subject to call at par and dividends. Compare V. 112 p. 1740.

A committee of management, consisting of five persons, is to be formed to insure the operation of the road as far as possible in harmony with the Canadian National lines, the two systems being treated in the public interest as nearly as possible as one system, pending completion of the aforesaid purchase of stock by the Government. The Government will also be authorized to lend to the committee of management such sums as may be necessary for the carrying on of the railway. Upon the transfer to the Government of the preference and common stock, the Government may provide for the discharge of the receivership of the Grand Trunk Pacific Ry. System. The shareholders on May 12 1921 ratified an agreement between the management and the Canadian Government providing for the transfer of the control of the railway to the Government during May. V. 112, p. 1519, 1740. 1977, 2083, 2190.

On Dec. 31 1920 Gt. Nor. and Nor. Pac. owned $107,613,500 of the $110,839,100 Chicago Burl. & Quincy RR. stock, exchanged for their joint 20-year 4% gold bonds (secured by deposit of the stock in trust), on basis of $200 in bonds for each $100 stock. See circular, V. 72, p. 871, 1034, 1135, and application to list, V. 73, p. 294, 903; V. 85, p. 600. Through the declaration of a stock dividend by the C. B & Q. of 54.132% ($60,000,000) to stockholders of record Mar. 31 1921, these holdings were increased to $165,867,400 out of a total of $170,839,100.

In April 1921 a syndicate headed by J. P. Morgan & Co. and First Nat. Bank, New York, offered an issue of $230,000,000 Northern Pacific-Great Northern joint 15-year 6½% convertible gold bonds (C. B. & Q. collateral) due July 1 1936, at 96½ and int. The C. B. & Q. collateral joint 4% bonds due July 1 1921, with final coupon attached, were accepted in payment at 100 and int. to date of payment on allotments.

Bonds are to be the joint obligations of the Northern Pacific Ry. and of the Great Northern Ry., and are secured by pledge of the following collateral conservatively valued at an amount in excess of 120% of the principal amount of this issue:

1,658,674 shares of the capital stock of the Chic. Burl. & Qiuncy RR.
$33,000,000 North. Pacific Ry. Ref. & Impt. M. 6% bds., ser. B, due 2047.
$33,000,000 Great Northern Ry. Gen. M. 7% bds., ser. A, due 1936.

The bonds are redeemable as a whole or in amounts of not less than $5,000,000 at 103½ and int.

In the indenture securing the bonds the Northern Pacific and Great Northern Ry. cos. have covenanted that, in the event of any mortgage being placed on the properties junior, respectively, to the Northern Pacific Ref. & Imp. M. and to the Great Northern Gen. M., such new mortgages will secure the Joint 6½% bonds outstanding by a lien pari passu with that securing such new bonds.

The indenture also provides that if the amount of that issue is reduced through conversion or retirement the bonds and stock deposited as collateral may be withdrawn proportionately by the respective companies.

The bonds are convertible into Northern Pacific Ref. & Imp. M. 6% bonds, Series B, due 2047, or into Great Northern Gen. M. 7% bonds, Series A, due 1936, part of which issues are deposited as collateral and of which an additional amount is reserved, sufficient to provide for the conversion of the Joint 6½% bonds.

The conversion may be exercised by the holder of Joint 6½% bonds with a view to obtaining a like principal amount of bonds, either all in the Ref. & Imp. M. 6% bonds, Series B, of the Northern Pacific, due 2047; all in the Gen. M. 7% bonds, Series A, of the Great Northern, due 1936, or in bonds of both issues in any ratio between the two which the holder may desire, but not more than $115,000,000 of either of such bonds will be issued in conversion.

As Joint 6½% bonds are presented for conversion, the trustee will withdraw from the deposited collateral a proportionate amount of C. B. & Q. stock and will deposit such stock with the trustee of the Northern Pacific Ref. & Imp. M., or the trustee of the Great Northern Gen. M., as required by the demand for conversion, and will deliver such Northern Pacific or Great Northern bonds, as the case may be, in exchange for the Joint 6½% bonds presented for conversion. At the time of conversion an adjustment of accrued interest will be made between the Joint 6½% bonds presented for conversion and the mortgage bonds issued in exchange. Compare V. 112, p. 1866.

The G. N. Ry. Co.'s portion, $115,000,000, has been converted into a like amount of gen. mtge. 7% bonds and proportionate amount of Burlington stock has been released from lien of the joint indenture and pledged under the gen. mtge. The remaining outstanding joint convert. bonds (the Northern Pacific's portion not converted) were called for redemption July 27 1922 at 103½ and int. V. 114, p. 2240.

The Gen. Mtge. bonds are secured by a mortgage covering the entire railroad property of the Great Northern Ry. in the U. S., subject to existing debt, and, in addition, by pledge of $36,332,000 Ref. M. bonds secured by the same mortgage under which the $35,668,000 Great Northern Ref. M. 4¼% bonds, due 1961, now outstanding in the hands of the public, were issued in 1911 and subsequently. They will be additionally secured by such shares of stock of the C. B. & Q. RR. as are released by the trustee of the joint indenture as a result of the conversion of the Joint 6½% bonds into the Great Northern Gen. M. 7% bonds. Bonds are not subject to redemption before maturity.

As to offering of $30,000,000 gen. mtge. 5½% Series B gold bonds, due Jan. 1 1952, compare V. 114, p. 626.

*Subway Leases. New and Old. to Run 49 Years—Re-Capture.*

The lease by the city to the company of the new subways is for 49 years from Jan. 1 1917, but if their completion should be delayed through no fault of the company, the beginning of the term will be correspondingly postponed (date now set Jan. 1 1919); subject, however, to the city's right of recapture after 10 years.

The leases of the original subways as modified expire contemporaneously with the lease of the new subways, but are not subject to termination by notice except as portions thereof may be taken over in substitution for the 7th Ave. branch or the Lexington Ave. branch of the new subways in order to complete a direct longitudinal line, either upon the East Side or upon the West Side of the city. As to the old contracts, Nos. 1 and 2, see this Section, issue of Feb. 1913 and V. 96, p. 1701.

The authorizations and licenses for the elevated railway extensions and additional tracks are for 85 years from the beginning of operation, and are respectively subject to the right of the city to purchase and take the property at any time after 10 years upon payment therefor.

Under the pooling agreement with the city which became effective Jan. 1 1919, all the receipts of the old and new lines of the Interborough system, with the exception of the old elevated lines, will be placed in a common pool, from which will be deducted taxes, maintenance, operating expenses, depreciation, the company's preferential and interest and sinking fund payments upon the city's and the company's investments in the new lines. After these charges are paid the amount of revenue remaining will be divided equally between the city and the company. V. 107, p. 501, 401.

Interest on the securities issued to construct and equip the new lines was a charge to construction until, and to the extent of, the completion and commencement of operation of the new lines. Under its contracts with the city the company was reported in Jan. 1919 to be entitled to take, on basis of convertible note issue of 1918, out of the revenues of the Interborough Rapid Transit system, an annual sum which, with $500,000 other corporate income, will provide $17,620,072, as compared with $13,101,255 required for interest and sinking fund on all bonds and notes outstanding in the hands of the public; but in Jan. 1919 not over $9,700,000 of the sum last named was expected to be a charge against the earnings of the year 1919, owing to the delay in putting the new lines in operation. See below and V. 108, p. 171, 268; V. 107, p. 1100

The amounts payable to the company out of the revenues of its subways (compound interest being allowable on any deficiency in any fiscal year) are to be paid before the city becomes entitled to the interest on its investment under its 1913 subway contract with the company. The amounts payable to the company out of the revenues of its elevated lines (compound interest being allowable on any deficiency in any fiscal year) are to be paid before the city shares any profit from the operation of the elevated lines.

When the profits from the operation of the *subway system* exceed the amount of the company's annual prior claim, and after all accumulated de-

### Readjustment Plan, Dated May 1 1922.

The plan of readjustment for the Manhattan Elevated and Interborough properties, outlined below, has been accepted by the security holders concerned, it was announced Oct. 8 1922 (V. 115, p. 1730). The main purpose of the plan is to provide for the capital requirements and arrears of the Interborough system, estimated at about $30,000,000, and to readjust the Manhattan dividend rental. Under the plan the Interborough Consolidated Corp., which is the successor to the Interborough-Metropolitan Co. as the holding company controlling the Interborough Rapid Transit Co., will disappear with its $45,740,500 of preferred stock and its 932,626 no par shares of common stock and its $63,808,000 of Coll Trust 4½% bonds. In place of these securities the $35,000,000 of Interborough Rapid Transit Co. stock will remain. V. 114, p. 2011; V. 115, p. 2159.

*Summary of the Main Features of the Plan.*

*Manhattan Rental.*—The Manhattan rental is to be payable out of the earnings of the combined systems after the payment of interest charges and is to be at the following rates:

For the fiscal year beginning July 1 1922, 3%.
For the fiscal year beginning July 1 1923, 4%.
For the fiscal year beginning July 1 1924, and subsequent years, 5%.

These preferential payments are to be cumulative and must be made to the Manhattan stockholders if the earnings exist.

In case 4% dividends should be paid in any year upon Interborough stock, any further distribution of dividends for that year is to be divided upon a prescribed basis between the Interborough stock and the Manhattan stock until the total dividends upon the Manhattan stock for that year have reached 7%.

*Interborough Dividends Limited to 7%.*—No divs. shall be paid upon the capital stock of the Interborough Co. (*a*) before July 1 1926, nor (*b*) out of income accruing prior to that date, nor (*c*) unless and until the foregoing Manhattan cumulative div. rental and all taxes upon the Manhattan property and all div. rentals accruing to and incl. July 1 1922 shall have been paid in full. The divs. to be paid upon the stock of the Interborough Co. in any year prior to July 1 1950 shall not exceed 7%.

After July 1 1950 no div. shall be paid in excess of 7% per ann., and no other distribution of corporate assets shall be made if such payments reduce the aggregate net value of the assets of the Interborough Co. below $35,000,000 unless such div. or distribution shall have received the consent of the Manhattan directors.

*Existing Current Obligations and Arrears to be Paid.*—Provision is to be made for the payment of all existing current obligations, including the arrears of rentals at the present rate and taxes under the Manhattan lease down to July 1 1922, the beginning of the next fiscal year.

Pending the consummation of the plan no dividends are to be paid upon Manhattan stock, but accruing Manhattan bond interest is to be paid and payment of $2,500,000 to be made to the City of New York on account of taxes now in arrears on the Manhattan property.

*Maintenance and Improvement of Manhattan Property.*—Provision is to be made to insure the application of a proper amount to the maintenance and improvement of the Manhattan property, including the installation of turnstiles at stations and pneumatic control doors for cars.

*Sinking Fund of Interborough Bonds Waived 5 Years.*—The interest payments on the Interborough 5% first mortgage bonds and on the secured notes is to continue uninterrupted, but in order to increase the amounts available for the improvement of the Interborough properties and other capital purposes, the sinking fund in respect of the Interborough 5% mortgage bonds is to be waived for a five-year period.

*Interborough Notes Extended 10 Years.*—90% of the $38,144,000 Interborough secured notes, maturing Sept. 1 1922, are to be extended for a period of ten years, the remaining 10% to be paid in cash within 60 days after the plan is declared operative. The extended notes will be secured by deposit of $59,602,000 1st & ref. mtge. bonds of 1966 and will be convertible into 1st & ref. 5s at 80 during the first 3 years, at 85 during the second 3 years, and at 90 during the last 4 years.)

*New 10-Year 6% Notes (Authorized, $15,000,000; To Be Issued, $10,500,000.)*

To provide for capital expenditures the Interborough company will create its 10-Year 6% Gold notes to the authorized amount of $15,000,000, of which it is intended presently to issue $10,500,000. Until the payment of these notes the Interborough company will not sell or issue any 1st & Ref. Mtge. bonds, except upon the conversion of its Secured Conv. Gold notes (or renewals or extensions thereof) or for the purpose of paying the principal of these 10-Year 6% Gold notes.

*Participation in Plan by Holders of Interborough-Metropolitan 4½% Bonds.*

Holders of Interborough-Metropolitan Co. Coll. Trust 4½% Gold bonds may participate in the plan:

(1) By purchasing, at their principal amount and accrued interest, new Interborough 10-Year 6% Gold notes to an amount equal to 16% of the principal amount of their bonds, or at their option,

(2) By surrendering 60% of their bonds for delivery to an underwriting syndicate to be organized to purchase such of the new $10,500,000 notes as are not taken by the holders of Interborough-Metropolitan 4½% bonds or Interborough Rapid Transit Co. stock or by holders of preferred and common stock of Interborough Consolidated Corp.

The stock of the Interborough company pledged to secure the Interborough-Metropolitan 4½% bonds will, when reduced to possession upon the enforcement of the trust agreement securing them, be distributed among the bondholders participating in the plan in accordance with their respective interests.

The Interborough-Metropolitan 4½% bondholders' committee will offer to the holders of first the preferred and then the common stock of Interborough Consolidated Corp. the opportunity of purchasing such of the Interborough company's new 10-Year 6% Gold notes as shall not be taken by the holders of Interborough-Metropolitan 4½% bonds and of Interborough stock, together with the Interborough-Metropolitan 4½% bonds and Interborough stock surrendered by the holders thereof.

*Participation in Plan by Holders of Interborough Rapid Transit Co. Stock.*

Holders of Interborough Rapid Transit Co. stock (of which $1,087,500 is in the hands of the public) shall be entitled to participate in the plan by purchasing at their principal amount and accrued interest new Interborough 10-Year 6% Gold notes to the extent of 32% of the par value of their stock or at their option by surrendering 60% of their stock for delivery to the above mentioned underwriting syndicate.

To carry out provisions the plan of readjustment, providing for election of directors to represent the public authorities on the Interborough board, a voting trust has been established. Voting trustees are: Grayson M.-P. Murphy, Guy E. Tripp and Frank L. Polk. The voting trust is to continue in force until Oct. 1 1927.

For further details of plan, compare V. 114, p. 2011, 2240.

Roughly speaking, the capitalization of the combined Interborough-Rapid Transit Co. and Manhattan Ry. will be:

**BONDS.—The "First and Refunding Mortgage" of 1913 is limited to $300,000,000, of which $170,000,000 was underwritten early in 1913,** in April 1922 $162,106,000 was outstanding and a further $59,602,000 had been pledged to secure the Three-Year Secured Convertible 7% notes due in 1921. **CONVERTIBLE NOTES.—Late in 1918 the company sold $39,400,000 Three-Year Secured Convertible 7% gold notes dated Sept. 1 1918, due Sept. 1 1921, but redeemable all or part at the option of company at 103% prior to Sept. 1 1919; then at 102% prior to Sept. 1 1920, and then at 101 prior to maturity, in each case plus interest. They are secured by pledge of $59,602,000 First & Ref. M. 5% bonds at a price of 64%. The notes are convertible at any time before maturity (provided notice of any election to convert after Aug. 1 1921 be given on or prior to that date), at option of holder into the First & Ref. bonds at 87½% with adjustment of interest. Sinking fund $615,870 annually. V. 107, p. 1000, 1284, 1747, 1837.**

In Aug. 1921 the company asked the noteholders ($38,144,400 notes then outstanding) to consent to an extension of the notes for one year to Sept. 1 1922, the interest rate being increased from 7% to 8%. In Apr. 1922 over 98% of the notes had been thus extended.

GENERAL FINANCES.—The cost of the Interborough new subways, elevated extensions and third-tracking, &c., as originally estimated in 1913, was paid from the proceeds of First & Ref. bonds, of which $162,106,000 are in the hands of the public. Largely as a consequence of the war, the cost of completing the Interborough new rapid transit system was approximately $37,640,000 more than the original estimates made in 1913.

The proceeds of the note issue of 1918 was expected to complete the company's contribution to the cost of the Interborough new rapid transit system, while the city in Sept. 1918 had yet to provide about $40,000,000 to complete its contribution. V. 107, p. 1100, 1284.

The city administration declined in 1919 to consider an increase of fare (from 5 cts. to 8 cts.). V. 108, p. 78, 171. The company's application for increased fares was withdrawn in Mar. 1920. V. 110, p. 1188. The company stopped dividend payments early in 1919 and this precipitated a receivership for the holding company, the Interborough Consolidated Corporation, which see above.

**The Jan. 1920 charges, aggregating $5,117,644, were met with the help of loans from allied interests in the form of $2,900,000 6-months 7% secured notes, due June 30 1920 (extended to Dec. 31 1920 and again to June 30 1921 and 45% ($1,305,000) further extended to June 30 1922. **Plan of Reorganization Dated June 1 1922.**

The reorganization managers, J. & W. Seligman & Co. and Speyer & Co., in June 1922 prepared a reorganization plan (V. 114, p. 2468), the principal features of which are outlined below. The plan was declared operative on July 5 1922.

*Securities to Be Issued by New Company.*

(1) *First Mortgage Bonds.*—Total authorized amount, $40,000,000, at any one time outstanding. Interest, payable s.-a., at such rate as may from time to time be determined at the time of issue. Secured by mortgage to Equitable Trust Co., N. Y., trustee, which is to embrace except as otherwise dealt with in the carrying out of the plan, all or substantially all the lines of railroad, franchises and equipment, terminals and other property which may be vested in the new company; also all additional property of like character at any time thereafter acquired, subject, however, as to the property thereafter acquired, to existing liens thereon, and to any purchase money liens thereon created in connection with such acquisition.

Bonds may be issued in separate issues maturing on the same or different dates, and any series may be made redeemable all or part at times, on notice and at premiums, and may have such conversion privileges, as may be determined by the directors at the time of issue. The new company may have the right to retire any series, all or part, and to issue for such purposes like aggregate principal amount of bonds in another series, bearing the same or different rates of interest, &c. Provision may be made for releases of any part of the railroads of the new company or of any other property.

*First Mortgage Bonds to Be Presently Issued and Delivered*, $20,000,000.

Series A 6% 30-year gold bonds, dated and carrying interest from July 1 1922, maturing July 1 1952, redeemable as a whole only at 107½ and int. and payable, principal and int., in New York, to be applied for the following purposes and approximately in the following amounts:

| | |
|---|---|
| (*a*) To be exchanged for, or to the extent that holders of said bonds elect not to make such exchange to be sold for cash to retire, International & Great Northern RR. 1st Mtge. bonds and Colorado Bridge Co. 1st Mtge. bonds | $11,420,500 |
| (*b*) To be sold for cash | 5,829,500 |
| *c*) To secure a note in the sum of $2,400,000, maturing March 1 1930, to be made by the new company to the Director-General of Railroads to refund $2,400,000 6% receiver's certificates issued by the receiver and now held by the Government | 2,750,000 |

The remaining $20,000,000 1st Mtge. bonds, to be authorized, will be issued or reserved for issue under such regulations as the reorganization managers may determine and as shall be set forth in the First Mortgage, to the extent of not exceeding $5,000,000 bonds to be issuable to a principal amount equal to the entire cost, and beyond that amount of bonds to 80% of the cost of new equipment, improvements, betterments, additions, new mileage or property, or (if permitted by law) stocks or bonds representative of new mileage or property, whether constructed or acquired by the new company or by some subsidiary company.

(2) *Adjustment Mortgage Bonds.*—Total authorized amount, $25,000,000, at any one time outstanding. Secured by mortgage to Columbia Trust Co., as trustee, on the properties embraced in the new First Mtge. and from time to time becoming subject thereto. Subject to the First Mtge. and to the prior payment out of the mortgaged property of all bonds at any time issued and outstanding under the First Mortgage. Interest payable annually or semi-annually as may be provided, at such rate as may from time to time be determined by the directors at the time of issue, but required to be paid (except as to arrears, if any, of cumulative interest payable on maturity of the principal), only out of net income as defined in the mortgage.

They may be issued in separate series maturing on the same or different dates, and any series may be made redeemable, all or part, on notice and at premiums, as may be determined by the directors at the time of issue, but in all cases with accrued cumulative interest. Payment of installments of interest for any period on Adjustment Mortgage bonds of different series carrying different rates of interest shall be made in amounts which in all cases bear to each other the same proportions as the respective maximum rates of interest carried by such respective series bear to each other.

Under the Adjustment Mortgage the new company may reserve the right to retire any series, all or part, and to issue for such purposes like amounts of bonds in another series, bearing same or different rates of interest, &c.

The Adjustment Mortgage will provide that the net income applicable to the payment of interest on the Adjustment bonds shall be deemed to be its net income as that term is defined in the accounting rules of the I.-S. C Commission from time to time in force, but without deduction in ascertaining net income for interest on the Adjustment Mortgage bonds; and only such portion of the net income for each year beginning Jan. 1 as directors may determine, but not less than 50% of such net income for each such year ending prior to Jan. 1 1928 sahll be required to be applied (to the extent necessary) to the payment of interest on the Adjustment bonds, and that any remaining net income to the extent of any difference between the full interest on the Adjustment bonds and the interest actually paid thereon, shall be carried into a separate account which shall be available for capital expenditures or other corporate purposes, but shall not in any year be a part of surplus available for the payment of dividends on any class of stock at the time outstanding.

After Jan. 1 1928 the interest on the Adjustment bonds at the rate borne will be cumulative, and at the maturity of the principal all arrears of cumulative interest shall be payable, but accumulations of interest shall not bear interest.

COAL PROPERTY.—Lehigh Valley RR. Co. on Dec. 31 1921 owned entire $9,465,000 stock of Lehigh Valley Coal Co. Coxe Bros., see "Bonds."

Pres. Loomis in Dec. 1920 was quoted as saying that the Lehigh Valley Coal Co. has coal reserves amounting to between 700,000,000 and 1,000,000,000 tons. V. 111, p. 2324; compare also V. 113, p. 1772. For annual report of Lehigh Valley Coal Co. see V. 113, p. 1767.

In Jan. 1912 the Lehigh Valley Coal Sales Co. was incorporated. See extra div. below and Lehigh Valley Coal Sales Co. under "Industrials." V. 94, p. 123; V. 92, p. 956; V. 95, p. 487, 478.

Anti-trust suit appealed by U. S. Govt. V. 105, p. 1898; V. 103, p. 1118 V. 102, p. 1346; V. 101, p. 2145; V. 102, p. 609, 1626, 1896.

The U. S. Supreme Court on Dec. 6 1920 handed down its decision in the suit brought by the Govt. against the Lehigh Valley RR. Co. holding that control of the coal properties is in violation of the Sherman Anti-Trust Act and, reversing the lower court, ordered the entry of a decree dissolving the combination and the redistribution of the stock, bonds and properties of the several coal subsidiaries so as to make each component part in fact independent and competitive.

On Oct. 5 1921 the company filed with the U. S. District Court a plan for the segregation of its coal properties. The plan provides (1) that the Lehigh Valley Coal Co. issue $30,000,000 pref. stock as a dividend to the railroad company; (2) railroad stockholders to receive one share of coal co. common stock for each five shares held; (3) the gen. consol. mtge. lien to remain undisturbed; (4) Coxe Bros. & Co., Inc., stock to be sold at maturity of collateral trust bonds (Feb. 1 1926); (5) consolidation of Dela. Susq. & Schuylkill RR. For details, compare V. 113, p. 1574. Objections to plan filed by Govt., V. 113, p. 1674, 1983.

The company in Jan. 1921 caused the withdrawal of its representatives from the management of the Coal Co. V. 112, p. 372, 849.

*New Railroad Co.*—The reorganization is to embrace, except as stated below and except so far as the Reorganization Managers shall otherwise determine, the various properties now included in the Missouri Kansas & Texas System (or securities representative thereof). These are to be sold under the general creditors' bill or under [illegible] decree or otherwise dealt with and a successor company or companies will be organized or utilized wherever the Reorganization Managers in their discretion may determine.

The new company is to authorize the following securities:

*Prior Lien Mortgage Bonds.*—The prior lien mortgage bonds will be limited to the total authorized amount of $250,000,000 at any one time outstanding. They will bear interest, payable semi-annually, at such rate as may from time to time be determined by the directors at the time of issue and be stated in the bonds, and are to be secured by mortgage and deed of trust to Central Union Trust Co. of N. Y. and some individual as trustees, which is to embrace, except as otherwise dealt with in the carrying out of the plan, all or substantially all the lines of railroad, franchises and equipment, terminals and other property (including underlying bonds deposited under the plan and stocks and bonds of subsidiary companies) which may be vested in the new company pursuant to the plan and also all additional property of like character (including stocks and bonds of subsidiary companies) at any time thereafter acquired by the new company subject to existing liens or purchase money liens thereon. They may be issued in separate series maturing on the same or different dates and any series may be made redeemable in whole or in part at times, on notice and at premiums, and may have such conversion privileges as may be determined by the directors at the time of issue.

The prior lien mortgage bonds are to be applied for the following purposes and approximately in the following amounts:

In respect of existing securities dealt with under the plan and for settlement of secured claims:

| | | |
|---|---|---|
| Series A 5% | $52,942,752 | |
| Series B 4% | 27,236,000 | |
| | | $80,178,752 |
| To be offered to stockholders (Series C 6%) | | 12,894,570 |

| | | $250,000,000 |

Of the prior lien mortgage bonds there are to be presently issued and delivered under the plan, carrying interest from Jan. 1 1922:

$52,942,752 series A 5% 40-year, redeemable at 105 and accrued int; $27,236,000 series B 4% 40-year, redeemable at par and accrued int.; $12,894,570 series C 6% 10-year, redeemable at 102½ and accrued int.

The Reorganization Managers may, in their discretion, procure the issue of additional prior lien mortgage bonds to the extent that additions and betterments made to the system during the Federal control period, which the receiver advises are in the neighborhood of $8,000,000, may be funded, or to the extent that other claims of the Director-General against the system may be settled by such issue, or to provide for further receivers' certificates which may hereafter be issued pending completion of the reorganization. Such additional bonds may be of any series authorized under the prior lien mortgage and in the event of such issue the amount of prior lien mortgage bonds reserved for future issue will be reduced by the like amount.

*Cumulative Adjustment Mortgage Gold Bonds.*—The adjustment mortgage bonds will be limited to the total authorized amount of $100,000,000 at any one time outstanding. semi-annually at such rate not exceeding 7% per annum as may from time to time be determined by the directors at the time of issue, but required to be paid, prior to the maturity of the principal, only out of the net income of the new company as shall be defined in the adjustment mortgage. The interest will be cumulative from and after Jan. 1 1925, but accumulations of interest shall not bear interest. At the maturity of the principal, all arrears of cumulative interest shall be payable. The bonds may be issued in separate series, maturing on the same or different dates, and any series may be made redeemable in whole or in part at times, on notice and at premiums, as may be determined by the directors at the time of issue. The bonds of any series may be made convertible into preferred stock at such rate or rates, in such manner, under such regulations and during such periods as shall be authorized in the adjustment mortgage.

| To be offered to stockholders | 5,526,244 |
| To be issued or reserved for issue under such regulations and restrictions as the Reorganization Managers may determine, and as shall be set forth in the adjustment mortgage, to a principal amount equal to that part in respect of which prior lien mortgage bonds shall not be issued of the entire cost of new equipment, improvements, betterments and additions constructed or acquired by the new company or some subsidiary company, the cost of construction by the new company or some subsidiary company of new mileage or the cost of the acquisition by the new company or some sub. co. of other lines of railroad or stocks or bonds representative thereof | 42,500,000 |

*Preferred Stock.*—The preferred stock will be authorized to the amount of $200,000,000, divided into 2,000,000 shares of the par value of $100 each. The preferred stock may be issued in series. Each series shall carry dividends at such rate, not exceeding 8% per annum, as may be determined by the directors and any series may be made redeemable in whole or in part on such terms, on such notice and at such premium, if any, as may be determined by the directors and be stated in the certificates therefor. Dividends will be cumulative from and after Jan. 1 1928 or later issue. In the event of any liquidation, dissolution or winding up, whether voluntary or involuntary, the holders of the preferred stock shall be entitled to be paid in full out of the assets of the company $100 per share of their stock and all arrears in cumulative dividends, before any amount shall be paid out of said assets to the holders of the common stock, but they shall not be entitled to any other or further distribution of assets. NATIONAL RAILWAYS OF MEXICO.—On June 30 1914 this system, including the Interoceanic and Mexican Southern Rys. [1,047 miles controlled but operated separately], aggregated 8,027 miles of road (1,342 miles, 3-ft. gauge). During the revolution of the succeeding 3 years some miles of track and many bridges, engines, cars, &c., were destroyed. On Dec. 4 1914 the railway, telegraph and telephone lines of the Republic were seized by the Mexican authorities.

In Oct. 1922 the Mexican Government was operating the bulk of the lines owned and leased by the National Railways of Mexico, Interoceanic Railway of Mexico and Mexican Southern Ry. under title of National Railways of Mexico. The use of the name "Constitutionalist Railways of Mexico," by which these Government-operated lines were previously designated, was dropped Jan 1 1919. V. 108, p. 1816; V. 107, p. 2476.

The Vera Cruz & Isthmus RR., 340½ miles, and Pan American Railway, 285 miles, were in Jan 1917 reorganized to facilitate the operation of the Mexican Railway, but were operated again as part of the system.

The Mexican Government in Jan. 1921 was reported to be making preliminary arrangements for a report on the physical condition of the properties and a possible settlement of some kind with the creditors with a view to returning the property to private management. See V. 112, p. 562.

Text of agreement providing for adjustment of debt, V. 115, p. 1153, 1680.

ORGANIZATION.—Organized March 28 1908 under special Act of Congress of Mexico, per plan in V. 86, p. 918, 982. The properties of Nat. RR. of Mexico, Mex. Central and Mex International were acquired by deeds. V. 88, p. 452, 1318; V. 89, p. 1601; V. 90, p. 1554. Vera Cruz & Isthmus RR. (340 miles) was merged Nov. 1 1913 and its bonds assumed and the Pan-American RR. in March 1914. V. 97, p. 1740, 1823; V. 98, p. 1000.

The Mexican Government owns $115,056,367 of the $230,000,000 authorized stock, viz.: $10,000,000 first preferred, $30,278,300 second preferred and $74,778,067 common stock, and guarantees the principal and interest of the general mtge. bonds. V. 87, p. 1533.

All interest and other obligations maturing Oct. 1 1914 and subsequently, including the principal of notes due June 1 1915 ($27 476,000), &c., and int. were defaulted, and the plan to fund the July 1 to Sept. 30 1914 maturities has not been declared operative. V. 100, p. 2010.

DIVS.—1st pref., 1908, 1%; 1909, 2%; 1910 to 1912, 4%; 1913, 2%.

**The amount of bonds which may be issued under the Ref. and Imp. M. is not limited to a stated amount, but is determined by standards set up in the mortgage itself, and those standards are believed to be such that a bondholder will be indifferent as to the amount of bonds which may be outstanding under the mortgage, so long as the standards are complied with. The amount of Ref. & Impt. M. bonds outstanding cannot exceed three times the amount of the capital stock as from time to time increased.**

**After $500,000,000 of the bonds shall have been issued, not more than 80% of the cost of improvements, additions or new property can be paid for from the proceeds of bonds. After $500,000,000 of bonds shall have been issued, no additional bonds can be issued without the vote of stockholders. Each issue of bonds must receive approval of RR commissions and P. S. *Note.*—Certain property of this company is subject to a lien under a mortgage of the New York & New England RR. Co. to secure Boston Terminal bonds of that company to the amount of $1,500,000, due Apr 1 1939 bearing interest at 4%

period of Federal control, and 1st & Ref. M. bonds in the amount of $20,000,000 were deposited as collateral security therefor. The company also issued its notes, payable in 15 years from date to the U. S. to the total amount of $8,130,000, with interest at 6% in return for a loan of that amount from the revolving fund, created by the Transportation Act of 1920, and deposited its 1st & Ref. M. bonds to the amount of $9,565,000 as collateral security.

Further loan under the Revolving Fund of $8,000,000 was certified by the Inter-State Commerce Commission on Aug. 29 1921. Two ten-year notes in the respective amounts of $3,000,000 (dated Sept. 15 1921) and $5,000,000 (dated Oct. 15 1921) were given to U. S. in return therefor. 1st & Ref. M. bonds of Series "B" in the amount of $4,775,000 were pledged as collateral security for the $3,000,000 note, while certain stocks and bonds of other carriers were deposited with the U. S. as security for the $5,000,000 note

On Nov. 1 1921 a further loan of $400,000 covering equipment purchased under Trust "EE" was made and equipment trust notes Class "B" amounting to $400,000 and first and refunding mortgage bonds, Series "B," amounting to $660,000 deposited as collateral security.

BONDS.—The company has executed and delivered to the Bankers Trust Co., trustee its 1st & Ref. M. dated Dec. 9 1920. This is an open mortgage under which substantially all pre-existing obligations are equally secured with the $95,000,000 bonds authorized to be issued to the U. S. Government.

The aggregate principal amount of bonds which at any time may be issued and outstanding is limited to an amount which, together with all other then outstanding bonds, notes and other evidences of indebtedness, shall not exceed twice the amount of the then outstanding stock (now $157,117,900), plus premiums paid in thereon (to date $19,282,887 50), which at the present time would limit the amount to $352,801,575.

A total of not more than $95,000,000 of new bonds is authorized, to be presently issued, of which not exceeding $80,000,000 Series A 6s, dated Nov. 1 1920 and due Oct. 31 1930, are authorized to refund co.'s indebtedness to U. S. Govt. incurred during period of Federal control; and not exceeding $15,000,000 Series B 6s, due Oct. 31 1935, are authorized to be issued for security to the U. S. for loans that may be made to the co. for equipment and betterments (as of Dec. 31 1921 a total of $87,138,000 had been issued and were owned by the co., all being pledged).

Bonds to the principal amount of $180,274,000 are reserved to refund debentures and underlying mortgage bonds. For further details, including list of obligations secured under this mortgage, compare V. 111, p. 2423, 2041, 1942.

The dollar bonds are issued in exchange for the foregoing bonds $ for $, and are to be secured by any future mortgage on the main line between Woodlawn, N. Y., and Providence, and also Springfield, 235 miles, pro rata with any other bonds secured thereby. The company has executed its 1st & ref. mtge. dated Dec. 9 1920, and in accordance with the foregoing has expressly included these debentures under the terms and lien of the indenture. V. 103, p. 759. The company in a notice to the holders of the 4% debentures outlined a plan for extending these debentures. When the plan becomes operative debenture holders will be paid 10% of the amount of their debentures in cash an d payment of 90% will be extended until April 1 1925 with interest at the ra te of 7% p. a. Interest at the rate of 7% p. a. will be paid upon the cash payment from April 1 1922 to the date on which such payment shall become payable to depositing debenture holders. The lien of 1st & ref. mtge. as security for these debentures will remain unimpaired.

The extended 90% of the franc debentures will be payable, at the option of the holders, in dollars in New York, viz., $86 85 per 450 francs. The April 1 1922 coupon should be detached and may be collected in the usual manner. The extension plan was declared operative on May 13 1922. *Mileage.*—System covers about 7,800 kilometers, or 4,848 miles. The lines serve (*a*) the central part of France, providing a direct route between Paris and the important seaports of Bordeaux, Nantes and St. Nazaire and forming part of the through lines between Paris and Southern France and Spain; (*b*) rich agricultural districts; (*c*) the industrial centres of Montlucon (iron), Albi (coal) and Limoges (porcelain); (*d*) through the western extension the south coast of Brittany; (*e*) the Valley of the Loire and the Aubergne Mountains, carrying a very heavy and profitable tourists' traffic.

*Government Guaranty.*—A law enacted on Nov. 20 1883 provides that the French Government shall advance each year any amount necessary in addition to the net income to cover the interest on and amortization of the bonded debt and to make an annual distribution on the capital stock of frs. 56 per share of frs. 500. Any amounts so advanced are to be repaid with int. at 4% p. a. out of any future surplus remaining after paying the div. on the stock.

This agreement continues in effect until Dec. 31 1956 (the end of the concession of the company) and contains similar provisions to protect the bondholders and stockholders in case the Government should take over the company's property prior to that date.

*Capital Stock.*—Frs. 300,000,000, divided into 600,000 shares of frs. 500 each, of which 214,859 shares have been retired at par. These shares have been replaced by beneficiary shares. The stock is listed on the Paris Bourse.

In Feb. 1921 A. Iselin & Co., Halsey, Stuart & Co., Inc., and Hemphill, Noyes & Co., New York, offered frs. 50,000,000 6% bonds (Foreign Series), redeemable at par, by semi-annual drawings, not later than 1956. Interest from Dec. 1 1920, payable J. & D. at office of A. Iselin & Co., 36 Wall St., N. Y. City, without deduction for any French taxes, present or future, if held by non-residents of France. Denom. fr. 1,000.

*Tax Exemption.*—Under a recent French law these bonds are payable, principal and interest, without any deduction of French taxes, present or future, provided they are held by a non-resident of France.

*Convertibility.*—The company agrees to exchange any bond of this issue at its Paris office at any time prior to the drawing of such bond for redemption without expense for an equal face amount of 6% bonds (French series). These French Series bonds are listed on the Paris Stock Exchange, but holders thereof are subject to French taxes.

*Redemption.*—The concessions of the French railroad companies stipulate that at the expiration of their concessions, their property, except rolling stock and certain other working assets, shall revert to the Government free of charge. The companies have, therefore, with the approval of the French Government, adopted a plan of amortization which provides for the total redemption of their funded debt, and for the repayment of their capital stock by the time of the termination of their concessions.

The amortization plan provides for semi-annual drawings at par of a gradually increasing number of bonds, sufficient to retire the entire issue by Dec. 1 1956. Drawings under this amortization plan are made annually and the bonds drawn will be payable on Dec. 1 each year, beginning Dec. 1 1921. £2,000,000 6% sterling bonds of 1922, see Midi RR. Co. above. **ORGANIZATION, LEASES, &c.**—The charter of the Pennsylvania RR. was dated April 13 1846. As to agreement in 1917 to take over the properties and assume the obligations of the Pennsylvania Company, see that company's statement below, and V. 106, p. 1031.

In Nov. 1917 it was agreed that, effective Jan. 1 1918, or such later dates as might be determined, the leases of railroad property held by the Pennsylvania Co. should be reassigned to the Penn. RR., and the lines west of Pittsburgh operated directly by the Pennsylvania RR., through the same officials who had heretofore been in charge of the operation of those lines. In pursuance of this plan the Penn. RR. Co. had resumed in Oct. 1918 operating under lease the Pitts. Ft. Wayne & Chicago Ry., Cleveland & Pittsburgh RR., Erie & Pittsburgh RR., and Pitts. Youngs. & Ashtab. Ry. V. 107, p. 83, 284; V. 106, p. 86, 1031; V. 105, p. 2094, 2184. During 1918 accordingly the Pennsylvania *Company* was relieved of the operation of all the aforesaid lines, which were operated directly by the Penn. RR. Co. as its "Western Lines."

*System Operated as a Unit.*—It was announced in Feb. '20 that, effective March 1 1920, the system would be operated as a unit instead of being subdivided as formerly between the lines east and west of Pittsburgh. The system will be divided into four regions, each in charge of a Vice-President, the headquarters of the respective regions to be at Philadelphia, Pittsburgh, Chicago and St. Louis, to be known as the Eastern, Central, Northwestern and Southwestern regions. V. 110, p. 658.

In May 1920 announced that the West Jersey & Seashore RR. and the N. Y. Phila. & Norfolk RR. will hereafter be designated as the Atlantic Division and the Norfolk Division, respectively. See V. 110, p. 2193.

Working agreement with men, V. 112, p. 162.

**In March 1916 incorporated the Penn.-Detroit RR. with $5,000,000 stock to build a 52-mile road from Ohio-Michigan line northward to Detroit. V. 104, p. 1146; V. 106, p. 1031; V. 107, p. 291.**

**In April 1918 took title to the Susquehanna Bloomsburg & Berwick RR. a 42-mile line. Watsontown to Berwick, Pa., &c., with $700,000 First Mtge. gold 5% bonds outstanding. V. 106, p. 2011.**

On Jan 1 1921 leased for 999 years the Grand Rapids & Indiana Ry. and the Pitts. Cin. Chic. & St. L. RR. V. 111, p. 1753, 1950; V. 115, p. 437, 760.

The stockholders on Mar. 4 1921 approved the leases of 16 railroad properties constituting portions of the system and controlled through stock ownership. Compare V. 112, p. 162; V. 114, p. 1526.

The company in 1921 was authorized by the I.-S. C. Commission to lease in perpetuity the property of the New York Philadelphia & Norfolk RR., beginning July 1 1921. V. 113, p. 731. Has also been authorized to purchase from the Pennsylvania Co. the stock of the Pitts., Ft. Wayne & Chic. Ry. V. 112, p. 2191.

**SECURITIES OWNED.**—Total book value of these on Dec. 31 1921 was $522,564,732, many of which are pledged to secure Pennsylvania issues. Revenue derived from these securities in 1921, $17,761,656. The securities include $7,753,800 Sou. Pac. Co. stock, $38,757,700 (common) stock of the Norfolk & Western, and $5,312,500 stock of N. Y. N. H. & H. RR. Co.; also $13,725,600 Liberty Loan 4¼s.

With a view to complete stock control of the Pittsburgh Cincinnati Chicago & St. Louis RR., the directors of the Penn. RR. Co. and of the Penn. Co. on Mar. 10 1920 offered to purchase the minority stock of the Panhandle Co. and to pay for the same, par for par, in new 50-year mtge. bonds of the latter co. when issued to the Penn. Co., bearing int. at the rate of 5% p. a., prin. & int. to be guaranteed by the Penn. RR. V. 110, p. 1188. See also Pitts. Cin. Chic. & St. L. RR. below.

The Pennsylvania Co. also offered to acquire the minority shares of the Grand Rapids & Indiana Ry., by exchanging therefor, par for par, 2d mtge. 4% bonds of the latter company, held in its treasury.

*Note.*—General mortgage of 1897 requires that the Reading Co and d Reading Coal & Iron Co shall be responsible for all old bonds marked s above

From the company's docks at the extensive terminal at Port Richmond it operates a line of steamers and barges in coastwise coal traffic and provides berths, with elevators, grain-drier and accommodations for several trans-Atlantic steamship lines, new ore-unloader and concrete dock capacity 600 tons per hour.

ORGANIZATION.—The Philadelphia & Reading RR. (chartered April 4 1833) and the P. & R. Coal & Iron Co. were sold in foreclosure Sept. 23 1896 and reorganized per plan in V. 61, p. 1109. See V. 64, p. 709

The "Reading Company" in the reorganization acquired the security holdings, real estate, equipment, &c., of the old Phila. & Reading RR Co., also the $20,000,000 stock and $20,000,000 bonds of the Phila. & Reading Ry. and the $8,000,000 stock of the Coal & Iron Co The right to mine coal, given by charter, is protected by State Const. of 1873 V. 82, p 393

The U. S. Supreme Court on Dec. 16 1912 in the Govt. suit (1) dismissed the charge of combination and conspiracy in restraint of trade against the company and other anthracite coal companies and coal-carrying roads (2) held that the Temple Iron Co. is an illegal organization and should be dissolved; and (3) also held illegal the arrangement under which the coal companies pay the independent operators for coal at the mines 65% of selling price at tidewater. See V. 95, p. 1684, 1652; V. 96, p. 286, 554, 1090 1557. The U. S. District Court on July 31 1915 held that the company and its subsidiaries, had not violated either the Sherman Law or the commodities clause of Commerce Law. The Government filed an appeal. V. 103, p. 1119; V. 101, p. 85, 929, 1465, 1807; V. 96, p. 1425; V. 97, p. 666; V. 99, p. 821. The U. S. Supreme Court on April 26 1920 sustained most of the Government's charges of illegal combination against the company and certain of its railroad and coal subsidiaries, and ordered their dissolution. See V. 110, p. 1816. The company on June 1 1920 sought a modification of the dissolution decree. The motion, however, was dismissed by the Court on June 7 1920. V. 110, p. 2358, 2488.

The company submitted a dissolution plan, summarized as follows:

**Dissolution Plan (as Modified May 12 1921).**

1. The Reading Co. will assume the $96,524,000 Gen. Mtge. 4% bonds, which are a joint obligation of the Reading Co. and the Phila. & Reading Coal & Iron Co.

2. The Coal Co. will pay to the Reading Co. $10,000,000 in cash or current assets at market value and $25,000,000 in 4% mortgage bonds of the Coal Co. to mature Jan. 1 1997.

3. Except as otherwise provided, general release of all claims and liabilities as between the Reading Co. and the Coal Co., including the claim of approximately $70,000,000 carried on the books of the Reading Co. as an asset and on the books of the Coal Co. as a liability, will be exchanged.

4 (as modified). The Reading Co. will agree with the Coal Company that at or before the maturity of the Gen. Mtge. bonds, it will obtain the release of the Coal Company's property from the lien of the Gen. Mtge. and the discharge of the Coal Company from liability on the Gen. Mtge. bonds.

5 (as modified). If the Court so orders, the Reading Co. will, subject to the lien of the Gen. Mtge., sell, assign and transfer all its right, title and interest in and to the stock of the Coal Company, including the present right to vote and receive dividends thereon, to a new corporation to be formed with appropriate powers, and will agree to save the new corporation and said stock harmless from the lien of the Gen. Mtge., and will agree to obtain at or before the maturity of the Gen. Mtge. the release of the stock of the Coal Company from the lien of the Gen. Mtge. and the assignment, transfer and delivery of said stock to the new corporation—all inconsideration of the payment by the new corporation to the Reading Co. of the sum of $5,600,000, and its agreement to issue its shares to the stockholders of the Reading Co. as hereinafter provided.

The new corporation will issue 1,400,000 shares of stock without par value. Such no par value stock will be sold by the new corporation to the stockholders of the Reading Co., Pref. and Com., share and share alike, for $5,600,000, or $2 for each share of Reading stock. Provision will be made for the disposition by the Reading Co. of any rights to subscribe which may not be availed of by the Reading stockholders within such period as may be fixed by the Court, to the end that the new corporation shall receive the full purchase price of $5,600,000. It is proposed to carry out this sale in accordance with the precedent established by the Union Pacific Southern Pacific case, by issuing to Reading stockholders, with or without the intervention of a trustee, as may be provided for in the final decree of the Court, assignable certificates of interest in the stock of the new corporation exchangeable for such stock only when accompanied by an affidavit that the holder is not the owner of any stock of the Reading Co.

[There are outstanding 1,400,000 shares of Reading Co. Common, 560,000 shares of 1st Pref. and 840,000 shares of 2d Pref.; total, 2,800,000 shares; par $50. The "$2 for each share of Reading" stock is equivalent therefore to saying one share of the 1,400,000 shares of Coal Co. stock at $4 per share, with respect to each two shares of Reading Co. stock held.—Ed.]

Any further steps deemed necessary by the Court will be taken to the end that an independent board and management will be maintained for the Coal Co., so that the independence of this company need not await the necessarily gradual process of the distribution of the stock of the Coal Co among persons not holders of stock in the Reading Co.

6. The Reading Co. will merge the Philadelphia & Reading Railway Co. under the authority contained in the present charter of the Reading Co., and will subject the railway property to the direct lien of the Gen. Mtge. The name of the Reading Co., after merger, will not be changed.

The Reading Co. will accept the Pennsylvania Constitution of 1874 and it will proceed under the Act of 1856 to surrender those of its powers which are inappropriate for a railroad corporation of Pennsylvania. Thus the Reading Co. will be in all respects subject to the regulations of State and Federal authorities as a common carrier and its relations as a specially chartered holding company to the railway company will be terminated.

7. Paragraph 7 of the original plan, which proposed the executing of a new Ref. & Impt. Mtge. by the Reading Co., was eliminated in the modified plan.

8. The Court will be asked to defer the actual sale of the stock held by the Reading Company in the Central RR. of New Jersey pending the grouping of railroads by the Inter-State Commerce Commission under the Transportation Act, but subject to the further order of the Court. Compare V. 112, p. 745.

*Litigation over Plan.*

The U. S. District Court in an opinion filed May 21 1921 approved the modified plan. Subsequently on June 6 1921, a decree was entered in conformity therewith.

From this decree an appeal was taken to the U. S. Supreme Court by two Common stockholders, the Continental Insurance Co. and the Fidelity-Phenix Fire Insurance Co. of New York, and by the so-called Prosser Committee, representing a large number of Common stockholders, the common stockholders contending that the company's $33,000,000 surplus belongs to the common stock alone and opposing the equal distribution to common and preferred shareholders. Compare V. 112, p. 850, 933, 1025, 1144, 1283, 1400, 1519, 1618, 2538; V. 113, 418, 534, 629, 1773.

The U. S. Supreme Court in a decision handed down May 29 1922 ordered a modification of the dissolution decree. The Court held that all stockholders, common and preferred, in the Reading Co. must share alike. Compare V. 114, p. 2431; V. 115, p. 1732, 2047.

**ORGANIZATION.—Incorporated in Indiana Oct. 22 1915 as successor of Wabash RR. (foreclosed) under First Ref. & Extension Mortgage, and reorganized per plan in V. 100, p. 1599, 1594; V. 101, p. 1975. Took possession Nov. 1 1915. The plan reduced the fixed charges from $5,795,278 to $3,183,915, besides eliminating guaranties and unsecured obligations.** V. 108, p. 270, 1927.

**STOCK.—The pref. shares A and B are respectively pref., prin. and divs. (non-cumulative) and are callable after 5 years at 110. The A shares are entitled, after payment in any year of 5% on all stock (com. and pref.), to participate in any further dividend for that year at the same rate as declared on common stock (above said 5%). Of the authorized common and convertible preferred, $3,750,000 and $1,250,000 respectively** were issuable from time to time on account of unsecured creditors' claims against old co. The pref. and common are issuable as needed for conversion of pref. B, and in Oct. 1922 the amounts outstanding had been increased chiefly in this manner from the totals issued at reorganization in 1915, namely $43,540,000 and $46,200,000, respectively, to the amounts shown in table at top of page. V. 108, p. 1929; V. 107, p. 182; V. 101, p. 2072, 1599; V. 102, p. 1812.

**The holders of the convertible pref. stock may at any time after Aug. 1 1918, and up to 30 days prior to any date fixed for the redemption of the entire issue of said Profit Sharing Pref. Stock A, convert the same into and exchange the same for profit-sharing pref. stock and com. stock at the rate of $50 of profit-sharing pref. stock and $50 of com. stock for each $100 of convertible pref. stock, with adjustment of unpaid dividends.**

**DIVIDENDS.—No. 1 on pref. "A" stock Jan. 29 1917, 1%; April, July** nd Oct., 1%; 1918, Jan. and April, 1%; none since. Compare V. 108, p. 1929; V. 109, p. 2264.

This plan was to affect the status of the coal, &c., properties as follows:

(a) The acquisition by the new company of all the system's terminal properties at Baltimore, including grain elevator with storage capacity of 1,900,000 bushels, &c.

(b) The underwriting and offer to shareholders at par of $18,000,000 7% 1st pref. stock (cum. from July 1 1918) in amounts 30% of their holdings, the subscriber with each $100 of 1st pref. receiving also $22 stock of Davis Coal & Coke Co. and $25 stock of Monongalia Coal Lands Co., (V. 103, p. 2157; V. 104, p. 766), thus distributing the entire outstanding stocks of the coal cos. In 1917 these coal properties were merged. V. 105, p. 1421, 717.

(c) The lease to the Davis Coal & Coke Co. for 99 years of all the railway's coal mining properties and the transfer of the reserve coal lands to the Monongalia Coal Lands Co., this measure, with the distribution of their stock, removing danger of legal complications owing to ownership of coal properties by the railway. The new railway co., under the lease, was to receive as rental 6 cts. per ton on coal mined and was to transport all the coal. Davis C. & C. Co. was to operate 31 mines having an annual capacity of 2,500,000 tons.—V. 103, p. 1791.

In 1917 the Equitable Tr. Co. of N. Y., as mortgage trustee, brought suit against Denver & Rio Grande RR., as guarantor of the 1st M. bonds of the old (foreclosed) Western Pacific Ry. (the holding co. owning $47,437,500 of this $50,000,000 issue), and in Jan. 1918 obtained a judgment for $38,270,343. V. 106, p. 1797. The judgment was followed by a receivership for the D. & R. G. V. 106, p. 85, 192, 498; V. 107, p. 503. See Denver & Rio Grande RR.

In Sept. 1918, having realized to date about $7,771,395 on this judgment the Trustee made distribution of $150 per bond of old Western Pacific Ry., over 90% of these bonds being owned in the interest of the new Western Pacific RR. V. 107, p. 1102, 1187.

In June 1918 the equity in the $10,000,000 stock of Utah Fuel Co. owned by D. & R. G. (subject to collateral lien of $15,080,000 Rio Grande Western Ry. 1st Consol. 4s) was sold in partial satisfaction of above judgment and was bid in for the Western Pacific RR. Corp. for $4,000,000. V. 106, p. 2648, 2759.

On Aug. 16 1920 a further distribution at the rate of $40 on each $1,000 bond was made; in Dec. 1920, $32.50; in July 1921, $100; in Aug. 1921, $40, in April 1922, $25. V. 113, p. 732; V. 114, p. 1654.

The Denver & Rio Grande property was sold at public auction on Nov. 20 1920 for $5,000,000 to John F. Bowie of New York, representative of the Western Pacific RR. For litigation over sale, &c., see Denver & Rio Grande RR.

A Delaware charter was granted Nov. 15 1920 to the Denver & Rio Grande Western RR. with an authorized capital of $150,000,000, authorizing it to own and operate railroads and railways outside of Delaware. The company was formed for the purpose of taking over the Denver & Rio Grande RR. and the entire outstanding stock is owned by the Western Pacific RR. Corp. A plan of reorganization of the Denver & Rio Grande RR. was submitted in Feb. 1922.

In 1921 acquired over 91% of the stock and bonds of the Sacramento Northern RR. V. 112, p. 564, 934, 1868, 2424; V. 113, p. 2081; V. 114, p. 949, 2361.

**STOCK.—The two new corporations have precisely similar capital stocks, common and pref., auth. and issued, the holding company owning all the outstanding shares of the operating company. The pref. is convertible by holders, $ for $, into common.**

The stockholders on Nov. 18 1920 approved an increase in the capital stock from $75,000,000 to $100,000,000. Of the total capital $40,000,000 is to be Preferred (par $100) and $60,000,000 Common (par $100). Compare details in V. 111, p. 184[a]

**DIVIDENDS.—In Feb. 1918 the directors of the holding corporation declared a dividend of 6% on the $27,500,000 outstanding 6% non-cumulative pref. stock, payable in installments of 1½% each on Feb. 20 1918 to holders of record Feb. 15, April 1 to holders of record Mar. 20, July 1 to holders of record June 20, and Oct. 1 to holders of record Sept. 20; in Jan. 1919, 1½%. May 15 1919 paid only 1%, at same time protesting against Federal treatment making the reduction in rate necessary. July 1 1919 to April 23 1920, 1% quar.; July 12 1920 to Oct. 20 1922, 1½% quar.**

**BONDS OF OPERATING COMPANY —Secured by a first mortgage on the existing railway properties and all property hereafter acquired.** Trustees, First Federal Trust Co., San Fran., and Henry E. Cooper. V. 110, p. 358. Chicago Stock Yards Co., V. 106, p. 193.

**The "Big Five" packers in Dec. 1919 agreed to the entering of a decree in the Government suit requiring them within two years to give up their stockyards and other outside interests (except their handling of eggs, butter, poultry and cheese, which is left for future consideration) and in general to confine their operations to wholesale meat business. See V. 109, p. 2358.** The time limit was subsequently extended to May 1 1923. V. 114, p. 1655.

On Jan. 14 1920 announcement was made of the formation of the Armour Leather Co., which would take over the leather and tanning properties of Armour & Co. *Recapitalization.*—**The stockholders on July 28 1920 ratified a plan increasing the authorized capital stock from $160,000,000 to $400,000,000. The plan provided for an authorized issue of $300,000,000 Common stock, divided equally into class "A" and class "B" stock, and for an increase of** Preferred stock from $60,000,000 to $100,000,000. Holders of the Common stock received for each share of Common stock of the par value of $100 held two shares of class "A" stock and two shares of class "B" Common stock, par value $25 each. According to the plan, this was to be followed by the declaration of a 100% dividend, payable in Class B stock. This, however, has been only partially carried out by the declaration of the payment of 50% Class B stock dividend to such stockholders in December '20, further action in respect thereto having been postponed by the directors, owing to conditions affecting the industry during the latter part of the year." See V. 111, p. 191; V. 112, p. 747.

Of the *Preferred stock* authorized, $5,592,900 is reserved, into which a like amount of the 6% serial convertible gold debentures of June 15 1918, now outstanding, may be converted.

Of the *Class "A" Common stock* $60,000,000 will be reserved to be available for exchange for the 7% ten-year convertible gold notes, the new issue.

The *Class "A" Common stock* will be of $25 par value and will have preference as to cash dividends up to 8% over *Class "B" Common stock*, and after 8% has been paid on Class "B" stock in any year both classes of Common stock will share alike in percentage of additional dividends paid during such year. Each share of Class "A" Common stock shall be entitled to all the rights of any share of Common stock of the company.

So long as the earnings justify, it is the expectation to pay dividends at the rate of 8% per annum on the Class "A" Common stock. V. 111, p. 297.

(name since changed to Bethlehem Iron & Steel Corp.), a subsidiary company. The purchase price paid in addition to the assumption of all obligations was $12,500,000 7% Cum. Pref. stock and $22,608,500 in Class B Common stock, together with $308,680 in cash and an amount equal to one month's dividends upon the stocks delivered. (This stock and cash were distributed pro rata among Lackawanna Steel Co. stockholders. Compare V. 115, p. 875.)

STOCK.—The stock as authorized in Sept. 1917 (V. 105, p. 911) includes (*a*) $30,000,000 8% cum. & convert. pref. non-voting, (*b*) $15,000,000 7% non-cum. pref. with voting power, (*c*) $15,000,000 common stock A with voting power, (*d*) $75,000,000 common stock B (with no voting power), of which $30,000,000 issuable only for conversion of the 8% pref. stock

In Sept. 1917 holders of the $60,000,000 common stock, A & B, were permitted to subscribe and pay pro rata for $30,000,000 8% cum. (non-voting) preferred stock. V. 105, p. 911, 1311; V. 106, p. 89.

The 8% cum. pref. stock is (*a*) entitled to 8% cumulative dividends (2% quar.) from Oct. 1 1917 ahead of the 7% pref. stock; (*b*) is entitled to participate equally with the 7% non-cum. pref. shares as to its principal and any accrued dividends in case of liquidation; (*c*) is convertible at option of holders at any time (unless called for redemption at 115, the right terminating in such case 60 days before redemption date) into an equal amount of class B common upon payment by holders of $15 per share in cash; (*d*) is subject to call at 115 and divs. after three years from date of issue in amounts not less than $1,000,000. In Sept. 1922 amendments to certificate of incorporation provided for creation of a new class of 7% Cumul. Pref. stock, of which $77,000,000 was authorized and issuable for following purposes and in following amounts so long as required for such purposes:

(1) $34,500,000 in exchange for existing 8% Cumul. Conv. Pref. stock;
(2) $15,000,000 in exchange for existing 7% Non-Cumul. Pref. stock;
(3) $12,500,000 in payment for the Lackawanna properties; and

At the same time the holders of the existing 8% Cumul. Conv. Pref. stock were given the right, after Jan. 1 1923, and until termination by the board of directors to exchange such stock for new 7% Cumul. Pref. stock. The basis of said exchange prior to April 1 1923 and thereafter until changed by the board of directors will be $115, par value, of 7% Cumul. Pref. stock for each share of 8% Cumul. Conv. Pref. stock.

At the same time the holders of the 7% Non-Cumul. Pref. stock were given the right to exchange such stock after Oct. 1 1922, and prior to Jan. 1 1923, for new 7% Cumul. Pref. stock on the basis of share for share.

The certificate of incorporation of the corporation as last amended Sept. 1922, provides that after 80% of the 7% Non-Cumul. Pref. stock shall have been exchanged for Cumul. Pref. stock or otherwise retired Class B Com. stock shall be in all respects the same as the Com. stock and shall cease to exist as a separate class of stock.

After giving effect to the stock issued in connection with the Lackawanna purchase and to the exchange of securities on the basis above specified the outstanding stock of Bethlehem Steel Corp. will consist of: (a) $62,000,000 7% Cumul. Pref. stock, and (b) $82,608,500 of Common stock.

CONSOLIDATED GAS CO. OF NEW YORK.—This company was organized Nov. 11 1884 as a consolidation, and in 1899-1900 secured control of all the other gas companies and of all the electric-lighting properties in Manhattan, N. Y. City. V. 78, p. 105, 1964; V. 79, p. 105, 629; V. 83, p. 1414; V. 84, p. 219; V. 86, p. 282; V. 92, p. 257; V. 97, p. 240, 301; V. 112, p. 165. Stock holdings Dec. 31 1917, V. 107, p. 600. Franchise taxation, V. 102, p. 253. The New York P. S. Commission, in Aug. 1922, granted the New York Mutual Gas Light Co. permission to transfer its plant and system to the Consolidated Gas Co. for $9,012,275. V. 114, p. 2725; V. 115, p. 190, 995, 1216.

In 1906 a law was passed reducing the price in New York City to 80 cents per 1,000 cu. ft., beginning May 1 1906, except in outlying districts. V. 82, p. 572, 807, 931; V. 90, p. 301. In Jan. 1909 the U. S. Supreme Court held 80-cent feature of law to be valid until given a fair trial. In Jan. 1919 the company brought suit to have the 80-cent rate declared confiscatory. Final report declaring the 80-cent rate confiscatory was handed down by Special Master Abraham S. Gilbert in May 1920. A temporary injunction restraining the authorities from enforcing the 80-cent rate was handed down on June 29 1920. V. 111, p. 76. Federal Judge Learned Hand on Aug. 4 1920 and Judge Julius M. Mayer in April 1921 handed down decisions upholding in nearly all respects the recommendations of Special Master A. S. Gilbert in the case of the company to the effect that the 80-cent gas law was confiscatory. V. 111, p. 592; V. 112, p. 1620.

The company, acting on a decree signed on Feb. 28 1921, by Federal Judge Hand refuting the application of the State and city officials that the court fix a definiate rate for the continuation of the supply of gas after March 1, announced that the rate for gas would be increased from $1.20 to $1.50 per 1,000 cu. ft., effective March 1 1921. Beginning Aug. 1 1921 it was announced rates would be reduced to $1 25, and beginning Oct. 1 1922 the rate was further reduced to $1 15. V. 115, p. 1104.

The U. S. Supreme Court in a unanimous decision handed down March 6 1922 held that the 80-cent gas law of 1906 is confiscatory. The Supreme Court also rendered a similar decision in the case of the New York & Queens Gas Co. and the Kings County Lighting Co., holding in their case that the $1 rate of 1916 was also confiscatory.

The Court also ordered that all impounded funds be promptly released to the gas companies subject only to deductions of such costs as are clearly assessable to the prevailing party. The case was remanded back to the lower court for further proceedings in conformity with the decree. [The full text of the decision is given in V. 114, p. 1023.]

In future, according to the decision, the New York P. U. Commission shall fix rates that are not confiscatory and that are in conformity with the court's decision. V. 114, p. 1023, 1067.

Adoption of B. T. U. standard, V. 115, p. 1104.

**In June 1916 the U. S. District Court in N. The company must dispose of its plants at Granite City, Ill.; Davenport, Iowa; its interest in the stock and other securities of the National Starch Co., with its plant at Oswego, N. **The decree leaves the company with plants at Argo and Pekin, Ill., and Edgewater, N. J., and also its foreign business which before the war amounted to 25% of its total business. INTERNATIONAL HARVESTER CO.—Originally incorporated in N. J. on Aug. 12 1902 and acquired five concerns manufacturing agricultural machines: Deering Harvester Co., McCormick Harvesting Machine Co., &c. Also has timber lands, coal, ore, blast furnace and steel properties. See full description of plants, organization, &c., in Oct. 1918, V 107, p. 1574, 1575; V. 108, p. 2038; V. 85, p. 104. Canadian Co., V. 108, p. 385. In 1919 acquired Chattanooga Plow Co. and Parlin & Orendorff Co. of Canton, Ill. V. 108, p. 2437. In June 1920 acquired the Richmond (Ind.) plant of the American Seeding Machine Co., V. 110, p. 2662. New plant, V. 111, p. 1756. V. 114, p. 1897.

In Jan. 1913, in view of conditions then prevailing, it was thought best to transfer the business in foreign countries and the so called new lines to a separate organization, the International Harvester Corporation per plan in V. 96, p. 365, the capitalization, previously $80,000,000 common and $60,000,000 7% cum. pref. stock being divided equally between the two companies. On Sept. 19 1918 the separate companies were again united under the laws of N. J. as the "International Harvester Company" with the former capitalization. V 107, p 1195, 1104, 1290, 1672; V. 108 p.2038.

Under the pressure of war conditions the International Harvester Co. (the old company) agreed in Aug. 1918 to a settlement of the Federal anti-trust suit which it had previously appealed from the decree of a divided court, a decree based on the alleged, but unexercised power to dominate the agricultural implement trade. This settlement is outlined as follows:

*Essential Provisions of Settlement in Aug.* 1918 (*V. 107, p. 608, 699.*)

(*a*) The company to dispose of the harvesting machine lines known under the trade names of "Osborne," "Milwaukee," and "Champion." the trade names themselves, and all patterns, drawings, blueprints, dies, jigs and other machines and equipment used in the manufacture of those lines to independent manufacturers of agricultural implements.

(*b*) The company to dispose of the plants and works at Springfield, Ohio, and Auburn, N. Y., where the "Champion" and "Osborne" lines are manufactured

(*c*) If not otherwise disposed of within one year after the war, the beforementioned lines of machines, &c., to be sold at public auction.

(*d*) Company to be prohibited after Dec. 31 1919 from having more than one sales representative or agent in any city or town in the United States for the sale of harvesting machines and other agricultural implements.

(*e*) If, at the expiration of 18 months after the war the foregoing measures have not proved adequate, in the opinion of the Government, to bring about harmony with the law, the Government to have the right to such further relief as may be necessary.

Following this settlement the International Harvester Co. of N. J. and the International Harvester Corporation were reunited as above stated. The preferred stocks being then exchanged share for share, while the common was exchanged 1 1-3 shares of the new for each share of the International Harvester Co. of N. J., and 2-3 of a share for each share of the International Harvester Corporation. V. 107, p. 608, 699, 1104, 1195, 1290.

STOCK.—Rights of stock, see application to list. V. 107, p. 1574.

The stockholders on July 29 1920 ratified the proposal increasing the authorized Pref. stock from $60,000,000 to $100,000,000 and the Common stock from $80,000,000 to $130,000,000. The plan provided: (*a*) that $20,000,000 of the new Common and $40,000,000 of the Pref. stock be set aside for employees under the stock ownership and profit-sharing plan; (*b*) that $10,000,000 of the new Common will be used for the payment of 12½% stock dividend on the Common and (*c*) the balance, $20,000,000, will be available for the payment of 2% semi-annual stock dividends on the Common stock, the same to be declared on the first days of Jan. and July of each year if the directors so decide. V. 111, p. 498, 697.

DIVIDENDS.—Regular dividends at rate of 7% per annum were paid on the pref. stocks of the International Harvester Co. of N. J. and Int. Harvester Corp. Dividends at rate of 5% per annum were paid on Inter. Harvester Co. of N. J. common stock from 1913 to 1916; 7% in 1917 (5% and 2% extra) and two dividends of 1¾% each were paid on April 15 and July 15 1918, respectively. No dividends had been paid on the common stock of the Inter. Harvester Corp. since July 15 1914 owing to European war.

STOCK.—To provide additional working capital, shareholders of record Sept. 10 1917 were allowed until Sept. 25 to subscribe and pay for at par $7,376,100 7% cumulative pref. stock to the extent of one share for each five shares held, whether common or pref. V. 105, p. 611, 824, 1108.

War conditions having increased the cost of all the company's materials and supplies over 200%, making necessary bank loans, the shareholders voted June 18 1918 to provide against any unforeseen emergency by authorizing an issue of $21,496,400 common stock B with the same right to dividends and upon liquidation as the existing common stock. Pres. Dula on May 16 1918 stated "Should it become necessary to issue more stock not more than 25% of the amount authorized at this meeting will be issued at one time and at least three months' notice will be given stockholders of the payment date. See V. 106, p. 2125, 2653.

In Dec. 1919 it was decided to issue $10,748,200 of the Common "B" stock—one-half to be issued as of Mar. 1 1920 and the other half as of June 1 1920—to holders of common stock of record Feb. 10 1920; each issue to be subscribed for at par in the proportion of one share of com. "B" for each four shares of common held. V. 109, p. 2176; V. 110, p. 1876.

The stockholders on March 8 1920 approved a resolution setting aside 5% of the entire authorized common and common "B" shares of the capital stock (21,496 shares) to be sold at par to persons connected with the management and operation of the company.

In 1918-19, because of the increased cost of labor and materials and because a final settlement had not yet been effected with the Government agents and accountants in regard to the 5-year lease of the Chalmers Motor Corp. properties, it was deemed necessary to conserve the cash resources of the company and to discontinue the payment in scrip or otherwise of the pref. dividends since Oct. 1 1918. The operations of the company extend into 36 counties of central and northern California, having an area of 54,000 square miles and an estimated population (1920) of 1,799,652. The business field embraces the important San Francisco Bay section and the fertile Sacramento and San Joaquin Valleys. The company serves eight of the twelve largest cities in California.

At the close of 1921 the company operated 28 hydro-electric generating plants having an aggregate installation of 308,244 h.p., four modern steam turbine electric plants with an aggregate installation of 173,592 h.p., also also 238 sub-stations and 9,971 miles of transmission and distribution lines with a connected load of 1,044,217 h.p.

The gas department includes 19 manufacturing plants with an aggregate capacity of 72,470,000 cubic feet per day and 3,168 miles of mains.

In Oct. 1919 purchased the properties and most of the $10,000,000 capital stock of the Northern California Power Co. Consolidated at $34 per share, thus acquiring 525 miles of high-tension lines and 1,611 miles of low-tension lines, a valuable power site on the Pitt River, potential development of at least 90,000 h. p. and six hydro-electric generating plants on Battle Creek and Cow Creek, with an aggregate installation of nearly 50,000 h. p., then marketing 30,000 h. p. V. 109, p. 173. In Dec. 1919 leased for 15 years the properties of the Sierra & San Francisco Power Co. V. 109, p. 2362.

*Franchises* in over 176 cities and towns, it is claimed, are perpetual, the U. S. Supreme Court on April 6 1914 having ruled that all franchises of public service corporations within the State of California obtained prior to Oct. 10 1911, were of perpetual duration and could not be altered.

75-cent gas rate held valid. See V. 109, p. 2444. Rates, V. 111, p. 195, 499; V. 113, p. 77, 967; V. 115, p. 655. Decision calling for refund of over $2,000,000 impounded funds. V. 112, p. 2649.

The 2d pref. stock is convertible since July 1 1916 into 102½% of 1st pref. and has mostly been thus retired. only $43,600 being outstanding Sept. 30 1922.

From July 1920 to Sept. 1922 sold $19,638,000 first pref. stock and used proceeds for additions and betterments to property. In Jan. 1922 was authorized to issue $5,000,000 first pref. stock for additions and betterments. and an additional $5,000,000 in Aug. 1922.

ROGERS-BROWN IRON CO.—See "Ry. & Ind. Section" for Nov. 1921 and V. 115, p. 82, 996, 1098.

ROYAL DUTCH CO.—ORGANIZATION.—Incorp. in The Hague, Holland, in 1890, with a capital of 1,300,000 florins ($522,600). Through its subsidiaries it is now the largest international producer and distributor of mineral oil and its by-products of Europe. V. 107, p. 2243. Started as a local enterprise of the Dutch East Indies. After 1900 developed rapidly. In 1902 entered the international field and in conjunction with the "Shell" Transport & Trading Co. of London (which see) and the de Rothschild (Paris) group, founded the Asiatic Petroleum Co. as a distributing concern. Subsequently absorbed the principal other oil producing enterprises in Dutch East Indies and amalgamated its interests with those of the "Shell," the combined assets of both being turned over to two new companies, viz., the "Bataafsche Petroleum Co. and the Anglo-Saxon Petroleum Co. The "Royal Dutch" holds 60% in these two concerns (the "Shell" 40%); also 12½% of the outstanding ordinary "Shell" shares. The two interests so combined have since then acquired exclusive or controlling interests in important oil fields in Rumania, Russia, Egypt, the United States (Oklahoma and California), Panama, Venezuela and Mexico.

List of subsidiaries was published in V. 113, p. 2511.

AMERICAN INTERESTS.—The combination owns a predominating interest in the Shell Co. of California. V. 109, p. 377. Also owns $2,247,000 Ordinary shares and $840,000 Preference shares of the Roxana Petroleum Corp. of Virginia and $179,760 Ordinary shares of the Ozark Pipe Line Corp. The "Roxana" owns fields in the well-known oil districts of Cushing, Healdton and Bartelsville. Also constructed a large refinery in St. Louis and one at New Orleans. At Martinez, on the Pacific Coast near San Francisco, a refinery capable of handling 25,000 bbls. a day and storage facilities at Martinez and on the fields for 4,250,000 bbls. have been established, as well as an 8-inch pipe line 170 miles long from the field to the refinery. In Mexico the allied companies, besides owning other valuable property, control the Mexican Eagle Oil Co., Ltd. Has also established large storage facilities and a refinery of exceptionally great capacity in Curacao, West Indies, in the immediate vicinity of the Panama Canal.

In Nov. 1921, a plan was formulated for the merger of the company's "American interests" with the Union Oil Co. of Dela., for details of which see statement of Union Oil Co. of Dela. below. See also Shell Union Oil Corp. below.

SHARES.—The com. shares have a par value of Fl.1,000 (say $402) each, but the company issues sub-shares of Fl.100 (say $40 20) each. For trading purposes here, Dutch shares of 100 Florin par value were deposited with the Equitable Trust Co., N. Y., against which were issued three certificates for each share deposited. This gives a nominal par value of $13.40 to eacn "American certificate."

V. 112, p. 1524. Holders of outstanding ordinary shares of record July 7th were given the right to subscribe at par plus stamp tax in Holland for one new share for each four shares held. V. 108, p. 2533, 2636. In June 1916 the shareholders were permitted to subscribe at par (equal to a bonus of about 120%) for one new share for each three old shares. In Aug. 1918 the South American and Australian properties were organized as Compania Swift Internacional Ltd. under the laws of the Argentine Republic, with a stock of $22,500,000 Argentine gold, divided into 1,500,000 shares of $15 each, all one class, fully paid and non-assessable, all outstanding. Each stockholder of the Swift & Co. of record Aug. 31 1918 was given until Oct. 15 the opportunity of exchanging 15% of his holdings in Swift & Co. at par for equivalent amount of capital stock in Internacional at par, evidenced by the First Trust of Chicago certificates of deposit. The company by thus exchanging $22,500,000 of stocks in foreign subsidiaries for equal amount of stock of Swift & Co. obtained the latter as a quick asset, since sold (see below) for requirements of business. V. 107, p. 701, 910.

Dividends paid by Swift International: No. 1, Feb. 20 1919, 8%; then to Feb. 21 1922, 8% semi-annually; Aug. 15 1922 paid 6%. Swift International annual report for 1921 in V. 114, p. 2250.

The aforesaid exchange in Oct. 1918 had reduced the outstanding capital stock to $127,500,000 when the holders of record Oct. 26 were offered until and incl. Nov. 30 the further option of exchanging one-tenth of their ($100) shares for an equal par value in the $10 shares of the $12,750,000 stock of Libby, McNeill & Libby (canners), held in Swift & Co.'s treasury. This further reduced the stock to about $114,750,000. The $35,250,000 treasury stock was offered at par to shareholders and employees in May 1919. V. 108, p. 2130, 688.

**Merger Plan.**

Plans for the organization of a company to take over the operating assets of the Union Oil Co. of Delaware and the American properties of the Royal Dutch Co. (the Shell Co. of Calif., Roxana Petroleum Corp. and Ozark Pipe Line Corp.), were approved by the directors of the Union Oil Co. Nov. 2 1921 and by the stockholders on Nov. 17 1921. (Compare V. 113, p. 1990, 2193.)

The plan provides for the organization by this company of a Delaware corporation, referred to as the Consolidated Company, having an authorized capital stock of 10,000,000 shares of no par value, which corporation is to acquire certain securities and properties, in consideration of the issue to Union Oil Co. of 2,240,000 shares of the capital stock of the Consolidated Company and the payment thereto of certain sums in cash and the issue to the other interests of 5,760,000 shares of stock and the assumption of certain liabilities. (See Shell Union Oil Corp. above.)

*Terms of Exchange.*—The plan provides that all properties to be consolidated will be turned into the Consolidated Company either directly or through the acquisition of the shares of the capital stock of the corporations which own the same, as they existed May 31 1921, subject to transactions in the genera 'course of business from that date to the date of closing, free and clear of all current liabilities in excess of those which can be cared for by current assets, excepting that the Shell Company of Calif. and the Roxana Petroleum Corp. will have outstanding a surplus indebtedness of $2,000,000 and there will be paid to this company the sum of $777,777 to be applied on account of its bank loans and the sum of $386,000 representing the excess of current assets over current liabilities of the subsidiary companies of the company's group.

*Properties Taking up New Companies.*—The plan and the terms upon which the same is to be carried out have been embodied in a contract dated Oct. 19 1921, which has been executed with Anglo-Saxon Petroleum Co., Ltd., the representatives of the owners of the stock of the corporations aforesaid, subject to the approval of Union Oil Co. of Del. stockholders and the approval of the stockholders of Anglo-Saxon Petroleum Co., Ltd. When this plan has been carried out the Consolidated Company will hold in addition to the Company's holdings in the stock of the Union Oil Co. of Calif., and the position of the company in the Central Petroleum Co., the stock of an operating company in the California field, the stock of an operating company in the Mid-Continent field, the stock of a pipe line company operating in the Mid-Continent field, and the stock of an exploration company which was organized for the purpose of doing general exploration work.

*Holdings of Union Oil of Del. After Merger.*—This company after the proposed consolidation will have 2,240,000 shares (28% of the total issue) of capital stock of the Consolidated Company, two 10,000-ton tankers, producing properties in the West Virginia and Kentucky, and liquid assets consisting of cash, government, bonds, inventories of oil and materials, accounts and notes receivable of an approximate value of $2,082,000, against which its current liabilities, including bank loans and final payment in Jan. 1922 on Columbia Oil Producing Co. stock, are $5,250,000; in addition to which provision is to be made for the cost and expenses involved in the transfer of the assets to the Consolidated Company and contingencies for Federal taxes.—V. 113, p. 1990.

*To Dissolve.*—The stockholders on Oct. 20 1922 voted to dissolve the company.

**WELCH GRAPE JUICE CO.**—(V. 113, p 544, 859.)

**WELLS FARGO & CO. (EXPRESS).**—Incorp. in Colorado Feb. 5 1866. On June 30 1917 operated on 84,751 miles of railroad in the U. S. and Mexico, 33,466 miles of stage, inland and ocean steamer routes; total, 118,218 miles. Also, jointly with National Rys. of Mexico, controls Wells, Fargo & Co. S. A. (Sociedad Mexicana). V. 91, p. 1451.

The loss of their contracts with the railroads because of Government control and operation, and inability to effect an arrangement with the Railroad Administration for continuing their individual operations culminated in an enforced retirement from domestic express operations and the transfer of the property of this company and the other leading express companies used in the express business to the American Railway Express Co. on June 30 1918 at least for the duration of the war. In consideration for the properties the several companies received stock in the Am. Ry. Exp. Co. (the Wells Fargo, $10,500,000 thereof) but no guaranty of net return. In Dec. 1920 the I.-S. C. Commission approved the permanent consolidation of the several companies into the American Railway Express Co. V. 111, p. 2532; V. 108, p. 2020, 2124. See American Railway Express Co. above for dividends paid by that company.

Government control terminated March 1 1920. V. 109, p. 24 5.

## *RAILROAD RATES.*

*(Concluded from Page 6.)*

which would mean a total of $1,134,000,000 with which to cover the increased cost of wages and supplies and to pay for improvements, &c. (compare V. 111, p. 653, 549, 459. 347 to 350, 329). The plan miscarried, a sudden decline in traffic and inflated labor costs causing an alarming falling off in railway operating income, notwithstanding the higher rates received. V. 113, p. 2155.

The decision of July 1920 increased: (a) *Freight Rates*—40% in the East, 25% in the South, 35% in the West and 25% in the Mountain-Pacific territory. (b) *Passenger Rates*—20%, the amount asked by the railroads, or about ½ of 1 cent additional per mile. (c) *Pullman Rates*—A surcharge to the roads of 50% on rates. (d) *Excess Baggage Rates*—20% advance. (e) *Milk Tariffs*—20% advance. (f) Coastwise and inland steamship lines and electric railway companies may increase their freight rates in proportion to the increases of the railroads in the same territory. (V. 111, p. 848.)

While the inter-State rates went into effect on Aug. 26 1920, a number of State public service commissions declined to grant the increases with respect to local (intra-State) rates, but in general this opposition was, after some delay, overruled by the I.-S. C. Comm., backed up by the courts.

As to increase in express rates see V. 111, p. 1338, 754, 654. For increase in Canadian wages and rates see V. 115, p. 270, 1285, 1395, 1907, and report of Canadian National Ry., V. **114**, p. 1762.

The award of the I.-S. C. Commission in 1920 was printed in full in "Chronicle" of Aug. 7 1920, p. 549 to 556. The award of July 1 1921 was in V. 112, p. 2143 to 2150, 2377; V. 113, p. 33.

Because of the relatively disadvantageous position of the New England group of roads under the rate increase, a readjustment of the basis for division of through rates was authorized by the Inter-State Commerce Commission on Feb. 14, effective March 1 1922 by which the New England roads other than the Bangor & Aroostook, were to receive an increase of about 15% inthe amount coming to them from the division of revenue derived from most classes of traffic interchanged with the lines west of the Hudson River. (V. 114, p. 702, and V. 111, p. 1942; V. 112, p. 744, 987.) Compare remarks in Oldham merger plan, V. 113, p. 1950' 1951. In April 1922 the western connections generally, except the Pennsylvania and Baltimore & Ohio, brought suit to prevent the carrying out of this increase as discriminatory. (V. 114, p. 917, 1253.)

## *CONTRACTS EXECUTED AND COMPENSATION PAYABLE THEREUNDER.*

There have since been some few changes.
